(2)(i) An LEA meets the excess cost requirement if it has spent at least a minimum average amount for the education of its children with disabilities before funds under Part B of the Act are used.

### § 300.203 Maintenance of effort.

(a) *General.* Except as provided in §§300.204 and 300.205, funds provided to an LEA under Part B of the Act must not be used to reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.

(b) *Standard.* (1) Except as provided in paragraph (b)(2) of this section, the SEA must determine that an LEA complies with paragraph (a) of this section for purposes of establishing the LEA's eligibility for an award for a fiscal year if the LEA budgets, for the education of children with disabilities, at least the same total or per capita amount from either of the following sources as the LEA spent for that purpose from the same source for the most recent prior year for which information is available:

(i) Local funds only.

of children with disabilities in that year is at least the same, either in total or per capita, as the amount it spent for that purpose in the most recent fiscal year for which information is available and the standard in paragraph (b)(1)(i) of this section was used to establish its compliance with this section.

(3) The SEA may not consider any expenditures made from funds provided by the Federal Government for which the SEA is required to account to the Federal Government or for which the LEA is required to account to the Federal Government directly or through the SEA in determining an LEA's compliance with the requirement in paragraph (a) of this section.

### § 300.204 Exception to maintenance of effort.

Notwithstanding the restriction in §300.203(a), an LEA may reduce the level of expenditures by the LEA under Part B of the Act below the level of those expenditures for the preceding fiscal year if the reduction is attributable to any of the following:

(a) The voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.

(b) A decrease in the enrollment of children with disabilities.

(c) The termination of the obligation of the agency, consistent with this part, to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child—

(1) Has left the jurisdiction of the agency;

(2) Has reached the age at which the obligation of the agency to provide FAPE to the child has terminated; or

(3) No longer needs the program of special education.

(d) The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
